Classified Personnel

BP 4200(a)

CLASSIFIED PERSONNEL

Note: The following Board policy may be revised for consistency with district collective bargaining agreements and, for districts that have incorporated the merit system pursuant to Education Code 45220-45320, with the rules and regulations of the personnel commission.

The Governing Board recognizes that classified personnel provide essential services that support and enhance the district's educational program. The Board shall fill each of its classified positions with qualified persons, consistent with position requirements.

(cf. 0200 - Goals for the School District)
(cf. 4211 - Recruitment and Selection)

Note: The following paragraphs reflect requirements of Education Code 45103-45104 and are for use by non-merit system districts. In merit system districts, classification of positions is a responsibility of the personnel commission pursuant to Education Code 45256.

The Board shall classify all employees and positions not requiring certification qualifications as the classified service, except for those employees and positions specifically exempt from classified service. (Education Code 45103)

Individuals who possess certification qualifications shall not be prohibited from being employed in a classified position. (Education Code 45104)

(cf. 4211 - Recruitment and Selection)
(cf. 4212 - Appointment and Conditions of Employment)

Each classified position shall have a designated title and regular minimum number of assigned hours per day, days per week, and months per year.

Classified employees shall be assigned by their immediate supervisors with the approval of the Superintendent or designee. They shall be required to perform those duties prescribed by the Board for the position the employee holds, in accordance with applicable job descriptions and collective bargaining agreements.

(cf. 4141/4241 - Collective Bargaining Agreement)

Each classified employee shall be held accountable for duties assigned to him/her and shall undergo regular performance evaluations in accordance with collective bargaining agreements.

(cf. 4215 - Evaluation/Supervision)

CLASSIFIED PERSONNEL (continued)**Substitute and Short-Term Employees**

The district may employ a substitute employee to replace a classified employee who is temporarily absent from duty. (Education Code 45103)

If the district is in the process of hiring a permanent employee to fill a classified position, the Board may fill the vacancy with one or more substitute employees for no more than 60 calendar days, unless the applicable collective bargaining agreement provides for a different period of time. (Education Code 45103)

Note: Pursuant to Education Code 45103, the district may employ short-term employees for no more than 75 percent of the school year. As defined in Education Code 45103, 75 percent of the school year is 195 work days, which is equivalent to 75 percent of the number of work days in a full year.

The district may employ a short-term employee to perform a service for the district when that service or similar services will not be extended or needed on a continuing basis. Before employing a short-term employee, the Board, at a regularly scheduled meeting, shall specify the service required to be performed by the employee and shall certify the ending date of the service. The Board may shorten or extend the ending date, but the date shall not be extended beyond 195 work days per year, including holidays, sick leave, vacation, and other leaves of absence, irrespective of the number of hours worked per day. (Education Code 45103)
