American Sports Construction

TERMS AND CONDITIONS

- Installation will be scheduled upon receipt of approved purchase order, signed agreement, or signed subcontract.
- This quote is bid to Manufacturer's specifications.
- This Quote is valid for 30 days.
- Proposal includes only what is stated in this proposal. Any alterations or deviations will be executed only upon written orders and will become an extra charge over and above the estimate. Any overages will be billed accordingly.
- American Sports Construction, Inc. must be notified within 48 hours of any changes to confirmed installation dates. Redeployment Fees of \$1,500.00 per occurrence will be assessed if crews are delayed or turned away following confirmed dates. Restocking and shipping fees may also apply for projects that are rescheduled, cancelled or delayed more than three days.
- Installation supervisor will act as our on-site representative but is not able to bind the company to any agreements, including verbal. All decisions are to be made by authorized office personnel only.
- Any delays caused by weather conditions and/or temperatures that are unsafe, or delays by Owner, Contractor, or any other Subcontractors not under the direct control of American Sports Construction, Inc. must be extended regardless of the extension allowed by owner.
- Any additional site work not included within the stated scope of work, including sub-base, grading, drainage, etc., is the responsibility of the owner.
- Removal of any pour-in-place rubber surfacing, asphalt and/or concrete is limited to 4 inches unless otherwise noted in this proposal. Any amount removed beyond 4 inches will be at additional cost.
- Removal of any wood chips, mulch or sand is limited to 12 inches unless otherwise noted in this proposal. Any amount removed beyond 12 inches will be at additional cost.
- American Sports Construction, Inc. will provide a brief visual inspection of the sub-base. There is no testing we can do to ensure the base was done correctly. Proceeding with installation of surfacing does not constitute acceptance of the sub-base.
- Security during install and upon completion is the responsibility of the Owner.
- Warranties will not be issued until payment in full is received.
- All projects over \$10,000.00 may be issued a preliminary lien.

CONSTRUCTION ASSUMPTIONS

- The designated area for installation will be accessible by drive-up for unloading of our trucks and equipment, including dump trucks, forklifts, skid loader, etc.
- Our pricing is based on the ability to perform all our work with clear, sequential, and continuous access without interruption during normal daytime working hours. We will require exclusive access to the area for our work during the construction process.
- We have assumed one mobilization for the installation, including the delivery and staging of materials. American Sports Construction, Inc. should be notified in advance if prior staging of materials is required so that the project may be priced accordingly, otherwise additional mobilization fees will apply.
- Pricing assumes secure storage and adequate lay down area for our tools, equipment, and materials, within close proximity to the installation site.
- Pricing assumes access to electrical outlets and water available within 100 feet of work area.
- American Sports Construction, Inc. cannot be responsible for moving or repairing of any underground utility lines such as electrical, telephone, gas, water, or sprinkler lines that may be encountered during installation.
